LUMEN DROPS

THE DELICATE TOUCH OF RADIANCE

Drawing its strength not from display,
but from quiet elegance. Created for
the woman who believes that true light
comes from within, and that true grace
lives in refined presence.

CREATED FROM LIGHT,
AWARENESS, AND SUBTLE
PRESENCE.

This collection was born from the idea of capturing
light in its most delicate and purest form — like a
droplet suspended in air, not yet fallen, yet already
mesmerizing. Lumen Drops takes inspiration from the
elegance of twilight — those sacred hours when
shadows stretch and every glimmer of light gains
deeper meaning.

THE LUMEN DROPS
WOMAN

Radiant. Aware. Carrier of light.
Confident in her presence. She
illuminates without effort. Her energy is
subtle, yet unmistakable. She doesn't
seek attention — it naturally finds her.
She wears light as her signature, not as
an accessory.

LUMEN DROPS DOES
NOT ASK HER TO SHINE.
IT REMINDS HER THAT
SHE ALREADY DOES.

LUCKY PENDULUM

EMBRACE THE ELEGANCE OF LUCK

THE ART OF ALIGNED MOTION

This collection was born from the idea
that luck is not a coincidence
— it’s a rhythm we align with.
Handcrafted with precision, Lucky
Pendulum celebrates the sacred
balance between motion and stillness,
intention and surrender.

THE LUCKY PENDULUM WOMAN

Intuition leads the way
Luck is guided with awareness
Energy finds its balance
Coincidences gain meaning
She returns to her center
Intention turns into motion
Luck is not a symbol, it is a stance

Inspired by the elegant swing of a
pendulum, each piece is handcrafted
with precision and meaning,
using delicate threadwork and gemstone
accents that move as you move.
With its kinetic form and talismanic
spirit, this collection is for those who
trust their timing,
follow their inner rhythm, and create
their own luck — one graceful step at a
time.

SHE TRUSTS THE RHYTHM.
SHE FLOWS WITH TIME.
SHE MOVES WITH GRACE.

RENEWANCE

THE SILENT POWER OF RENEWAL

Necklace

Inspired by the cycles of nature, the body's capacity to heal and the soul's ability to reconstruct itself, Renewance reflects the magic that lives within — even in our most vulnerable states.

A GENTLE RETURN TO YOUR INNER POWER.

This collection was born from the moment that follows stillness — the quiet turning point when transformation begins. Renewance symbolizes the spark of light that persists even in the deepest dark, the silent yet determined force of inner rebirth. Life sometimes pauses us, draws us inward, breaks us open. But it is precisely in those moments that the rebuilding starts — in the mind, in the heart, in the soul.

THE RENEWANCE WOMAN

Strong. Compassionate.
Aware of her own truth. A woman who carries herself with grace. One who chooses herself — fully, fearlessly. Walking her path with clarity, calm power, and deep self-love. A woman who renews, restores, and rises — from within.

A GATE WORN AS GOLD

YANTRA

A SYMBOL WORN AS GOLD

Yantra’s geometry is never accidental.
It is designed to calm the mind, align
energy, and recall inner rhythm.
At the center rests a profound stillness for
true power is always silent.

THE YANTRA WOMAN

The Yantra Woman draws attention. Every gaze finds her. Her presence shines. Her style is precise. Her impact lasts. Her posture is as flawless as the geometry she wears. Gold comes alive on her skin. She knows what she wants. She chooses. She wears. She owns. This is not an accessory. It is her signature.

THE GEOMETRY OF YOUR INNER HARMONY

Yantra is an ancient symbol reflecting the universe’s perfect order and the woman’s inner center. Every line is shaped with intention, every circle with balance, every intersection with quiet power. At the heart of this collection lie eight gates. Each represents a threshold of inner awareness. These gates do not open outward, but inward — toward the center.

YANTRA IS NOT A JEWEL.
IT IS A STANCE.
A CENTER.

THE GRACE OF FLOW

A QUIETER EXPRESSION OF
FLOW AND CLARITY.

CASCADE

SHINE IN THE FLOW OF ELEGANCE

WHERE EMOTION FLOWS
AND THE SELF FINDS ITS
RHYTHM.

This collection was born from the fluid rhythm of water — inspired by the graceful and free fall of a waterfall. Cascade represents the fluid rhythm of life, the inevitability of change, and the strength found in surrender. Just as water shapes stone, time shapes us. And every drop becomes a silent witness to our inner transformation.

IN TERMS OF FORM,
THE COLLECTION IS
DEFINED BY FLUID,
SPIRAL, AND LAYERED
FORMS

THE CASCADE WOMAN

Intuitive. Deep. Emotionally intelligent. In love with flow. Carrying elegance not only in appearance but in emotion. Unafraid of transformation. Endlessly capable of recreating herself.

THE GRACE OF FLOW

ABOUT THE STONES

Each stone carries a deeper truth. A story of energy, transformation, and inner resonance. They reflect the light within, awaken emotion, and guide the woman who wears them toward her own path.

EMBRACE THE MAGIC OF RENEWAL
AND STRENGTH

NOT AN
ORNAMENT,
BUT A SYMBOL.
NOT A
DECLARATION OF
BEGINNINGS,
BUT A GENTLE
ACT OF
REMEMBERING.

Mystical Rebirth does not represent a sudden change after an ending, but a quiet, profound inner transformation that unfolds over time. This collection was born from the threshold moment where one faces her inner darkness, releases old layers, and moves—almost unnoticed—toward a new self. Like the phoenix, rebirth here is not a spectacle, but a natural, inevitable, and timeless process.

THE MYSTICAL REBIRTH WOMAN

Resilient. Self-aware. Quietly powerful.
She embraces transformation without losing her essence. Strength is natural to her. Rebirth is her signature.

Rings

Mystical Rebirth pieces are not designed to add something to the woman who wears them, but to remind her of the strength and light already within. Each piece becomes a silent witness to transformation.
