# Mystical Rebirth

Embrace the Magic of Renewal and Strength

Mystical Rebirth collection celebrates the magic within, femininity, strength, innovation, and life transformation. These unique pieces symbolize taking control of your life, embracing change, and the process of rebirth. Each jewel perfectly combines balance and magic, highlighting your inner strength and grace. Designed with Najiba's timeless elegance and modernity, Mystical Rebirth embodies the magical essence of powerful transformations and new beginnings.

## Essence Rings

*In the heart of transformation lies the Essence, a piece that captures the core of who you are and who you are becoming. This jewel reflects your journey of embracing change and rising with newfound strength. The Essence symbolizes the purity of rebirth, an inner light that guides you through the magic of life's transitions, reminding you to stay true to yourself as you evolve.*

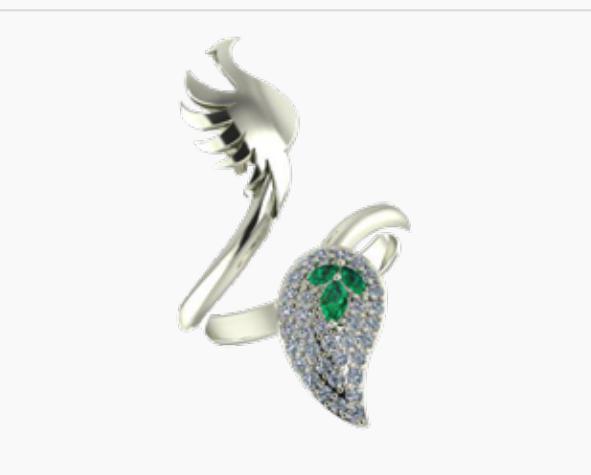

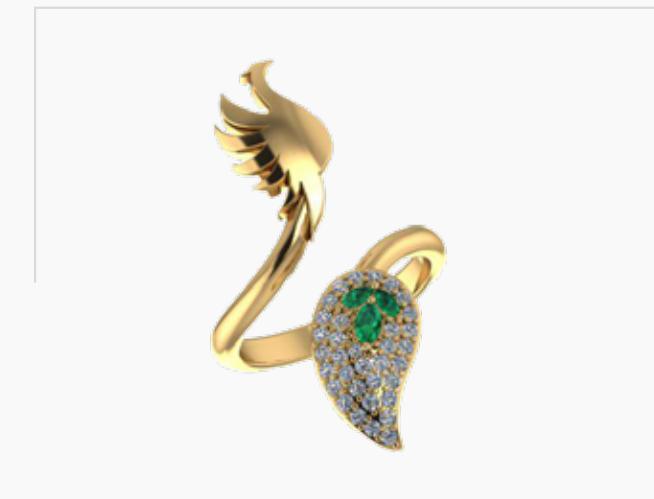

925 Sterling Silver  
9 gr  
18 K White & Yellow Gold Plated

**Stone:** Emerald, ruby, swarovski, pink quartz, aquamarine, citrine

## Essence Soul Rings

925 Sterling Silver  
5 gr  
18 K White & Yellow Gold Plated

*The Essence Soul is a tribute to the depth of your spirit. This piece embodies the profound connection between your inner world and the universe. It's a symbol of the eternal dance between strength and vulnerability, where true power resides. With every wear, the Essence Soul becomes a beacon of your enduring spirit, guiding you through life's challenges with grace and resilience.*

## Essence Duo Rings

925 Sterling Silver  
5.30 gr  
18 K White & Yellow Gold Plated

*Two forces come together in perfect harmony with the Essence Duo. This piece represents the balance between past and future, old and new, struggle and triumph. The duality of life's experiences is reflected in its design, reminding you that every ending is a new beginning. The Essence Duo encourages you to embrace both sides of your journey, as they together create the full story of your transformation.*
